EDITORIAL

We're not content with just bringing you the hottest girls in the world every month, we like to delve into their lives a bit as well. But does that matter to you, the reader? Do you even read that bit? Do you care what the lasses favourite colours are, or why such and such model called her cat 'Petal'? Well, we do, which is why we ask them but, let's be honest, it's also because we like hearing their voices. And we try our best to get them to say rude things. Some play ball, some leave us hanging. Good job they can't tell we're naked at our end of the call...

the bus that morning. Before I knew it, my fingertips were straying distractedly through the fine layer of hair that covers my pussy. Suddenly I was interrupted by a loud knocking at the door. I hoped whoever it was would give up and go away, but the knocking only became louder and more insistent. In the end I got up out of the tub, threw on my robe and went to answer the door, determined to tell whoever it was to piss off. Yvonne stood in the doorway soaking wet. As soon as it was open she barged her way in. "Shit, it's cold out there," she said with a smile. "Thought you might be lonely so I brought you some company." She held up a bottle of wine and a couple of DVDs. Yvonne was really something. Twenty-five, with beautiful long blonde hair and tits to die for. The guys were always trying it on with her and not getting anywhere, but I

good head for wine and the movie we were watching was quite boring, and after a while I fell asleep.

After a time, I woke to the sound of soft moaning. The lights were off and the stupid rom-com had been replaced with one that showed two girls giving a guy a blow-job! I looked over towards Yvonne. She was sitting with her legs slightly spread and the bathrobe open. Her right hand played gently over her clit while her left strayed across her breasts. She didn't seem to see that I was awake and carried on quietly masturbating. My pussy was on fire. I noticed now, that the way I had my legs tucked up, it would be fully within Yvonne's line of sight. This thought turned me on even more. The guy on the TV came over the girls' faces and they kissed, swapping his semen between them.

By now Yvonne had hooked her left leg up over the arm of the chair. Her cunt opened wide to my vision. She picked up the pace

Dear Club,

Can I just say what a delicious magazine you guys produce. I was blown away by Cara, Dani and Bexie, but I have to say it was Elle Alexandra that made me damp. What a stunner with all that red hair. I really wouldn't mind being between those long legs! So as you can tell I've got a bit of a girl thing going on and I thought I'd write in and share an experience that has stayed with me I've always been into girls. Right from when I was a teenager, I used to sneak into my brother's room to take a peek at his mags. Sure, I like guys and have always enjoyed an active sex life with them, but there's just something about a woman that always gets me wet. For years, I kept my fantasies private. But all that's just changed!

Last month I was bummed out because the guy I've been seeing was down to London for a lads' night out, so I decided that a long, hot soak would do me good. As I lay back in the tub, my mind began to drift. I soaped my breasts, soft and slow, then began to think about a girl I had seen on

thought she just liked to play hard to get.

"Have you got something dry for me to wear?" she said.

"There's another robe in the bedroom," I replied. "Well go get it," said Yvonne. "I'll fix us a drink."

I went to the bedroom to get the robe. When I returned, I was shocked to see her sitting quite calmly in one of my chairs totally naked.

"Thanks, hun," she said as she got up and walked over to take the robe from me. I was speechless. Her body was absolutely perfect, from her pert, B-cup breasts to her smooth, shaven pussy. She put on the robe and sat back down in the chair. I curled up on the couch and we both started chatting and drinking. I have never had a very

now, inserting her middle finger deep inside, her moans becoming louder. I needed release. I began squeezing my legs together to try and satisfy my craving, but it just wasn't enough. Carefully I reached down and ran my fingers over my arse.

On the TV screen, one girl – a busty brunette – was now fucking a petite blonde with a monster strap-on cock. I wondered how it would feel. My fingers began to slip inside my soaking quim. "I thought you might like this movie," said Yvonne suddenly. I looked over at her. She was still sitting with her legs spread, but her look of ecstasy was now replaced with a suggestive smile. "You look rather distracted," I said nothing. I was stunned into silence by a curious mixture of embarrassment, exhilaration and extreme arousal. Yvonne got up from her chair and came towards me. Naked and full of confidence, she got down on her knees. I felt my legs open to her. She ran her fingers gently over my hips, then my thighs, and finally my pussy. I began to speak, but she raised one finger to her lips. I remained silent. She lowered her head and began to flick her tongue over my labia. I was in heaven. I could feel my orgasm building as she inserted her fingers. With her other hand, she began to play with her own pussy. This set me off. I came so hard I thought I'd pass out, my orgasm rolling through me in waves before gradually subsiding.

It's been a couple of years since this experience, but it's certainly one I'll never forget.

Now, whenever my fella wants to have a lads' night out, I don't mind a bit. Instead, I just call up my good friend Yvonne and we have our own very special girls' night in.

**Nexus 6P**<https://store.google.com>

This phablet (yes this is now a commonly used tech word apparently though we're not sure what the Oxford Dictionary thinks) feels like the defining point so far in the Nexus series, as finally it provides a premium smartphone at an affordable price. It's even blowing raspberries at the iPhone 6 and Samsung Galaxy S6 Edge+, where previously they had cornered the design market this no longer appears to be the case. But now, down to the nitty-gritty. It's a powerful bit of kit with a Qualcomm Snapdragon 810 processor with 3GB of RAM and a 12.3MP camera on board and a fingerprint sensor. The best Google designed Android smartphone out there, with very few sacrifices for the price.

**Blaze Lazerlight**www.evanscycles.com

If you're on two wheels for you work commute or just getting from A to B you will appreciate this impressive and intriguing front bike light from Blaze. Not only is it a 100-300 lumens illuminator but it also projects a green outline of a bicycle on the road in front. Basically, it's your very own bat signal, alerting other road users to your impending presence. A successful kickstart project, the body is a little on the heavy side and I wouldn't recommend it for a night sportive, but in the urban jungle, it's a cracking bit of kit with 13hrs of battery life all set in a sturdy body. The only negative I can find is that the bottom bracket isn't secure. This is a well-designed safety device, expensive but worth it.

**Deezer**

iTunes/Google Play

Google Play Music Store and Apple iTunes look like mere principalities with only 25 million songs available, compared with the musical kingdom that is Deezer, which has a whopping 35 million songs and climbing. It's available in 182 countries so only 10 shy of the whole world and can be streamed through two packages, with prices ranging from Free to £9.99 for a Premium+ account. A new multiple family user package has just been introduced that allows up to 6 members all on the same package, though currently it's only available in France it shouldn't be too long till it's rolled out in the U.K we hope. The big issue with Deezer is the streaming quality, which only runs at 128kbps for the free version, which could be problematic if it's for more than personal use, however the speed improves to 320kbps when you take out Premium+.

Featuring: Alix Lynx, Eva Lovia, Josie Jagger, Reena Sky, Romi Rain, Staci Carr, Danny Mountain, John Strong, Ryan Driller, Seth Gamble and Toni Ribas

"Maggie (Romi Rain) and Roger (Danny Mountain) are a sex-crazed married couple... but there is more to their marriage than what meets the eye."

Courtesy of Digital Playground

Verdict: Shake your snake around in this neighborhood and you're likely to have a mouth around it in no time, as these ladies constitute some seriously bored housewives. Unappreciated at home and hungry for a shafting Maggie (Romi Rain) is happily spinning on the cock of her new toy boy as her hubby Roger (Danny Mountain) shows Staci Carr the sanctity of his wedding vows. We all know a cup of tea, and a digestive could sort this knot out but don't worry a full on orgy does the trick instead this time. One for the collection as there are more than enough cumshots and deep-throating to blow your load over.

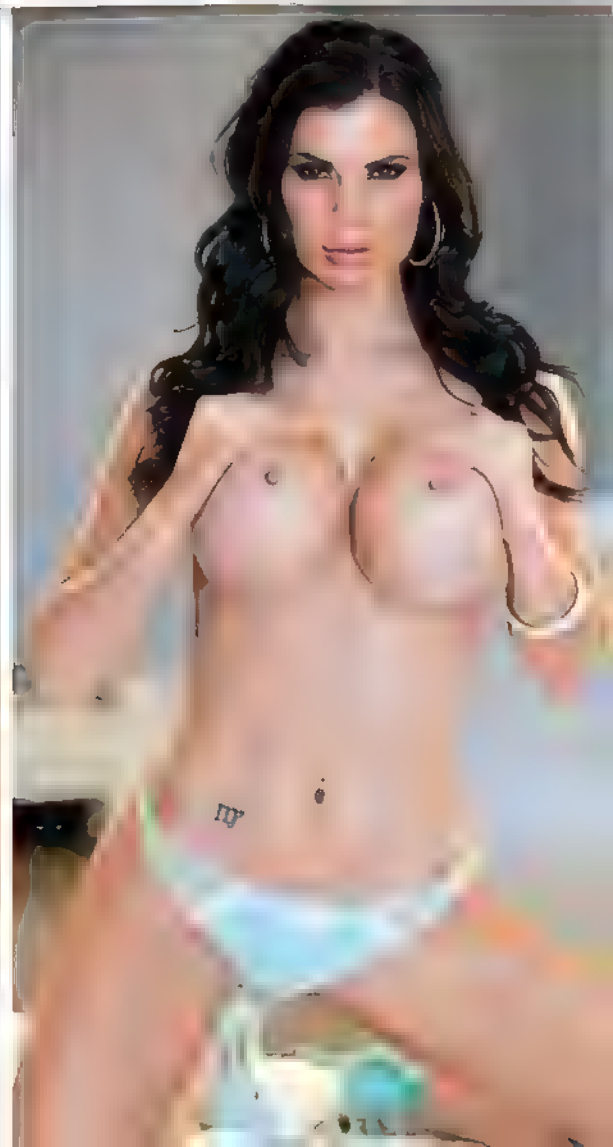

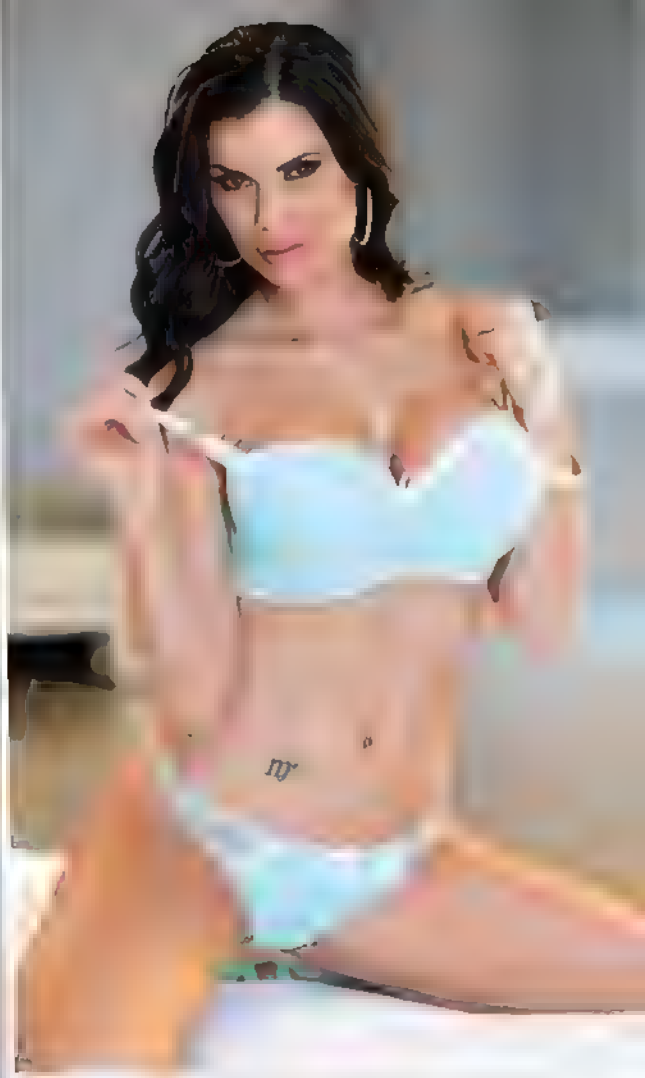

Obscene Little Whores

Starring: Samantha Bentley, Ella Hughes, Alyssa Divine, Aruba Jasmine, Aida Sweet, Candy Chang, Satin Bloom, Clarke Kent and Mark Rose

Verdict: Obscene is a timid word for the deprived debauchery that can be seen to fill the screen before you. Catering for a wide range of sexual thirsts Obscene Little Whores really does pull out all the stops on it's manic rampage of cock plugging that sees every hole filled and stretched. Aruba Jasmine shows us how you really sit on a Chesterfield, while Sam Bentley, Ella Hughes and Aida Sweet grapple with a double ended dildo in a three-girl romp that nearly made holes in our trousers, we got so stiff! So all in all, whatever your mood Obscene Little Whores will suit your root ridged and provide hours of tugging fun.

LIP PRICK LEZZA

I've been out with some very open-minded girls in my time; girls who were into anything, and that's great, but there's nothing better than introducing a girl to these delights yourself. My last girlfriend had lesbian flings, gang-bangs, and seedy sex aplenty before I met her (she used to love telling me all about them as I wanked over her face) but my current girlfriend has led a much more sheltered life. This is no bad thing because she's made it clear she's willing to give anything a try if I want her to, so now I've got her doing all sorts of things.

Take swallowing, for example. She'd never even let a guy cum in her mouth before she met me, but now she loves it and gulps it down with a big dirty smile on her face. Kelly had also never fucked another woman, but I told her I really wanted her to give it a try, so she agreed.

I sat her through dozens of lesbian porno movies and talked dirty to her as they were playing. After a week or two of this, I had her moaning gently to herself and licking her lips as the girls on screen licked each other's cunts; soon she couldn't wait to do it for real.

Kelly placed a discreetly worded ad in an adult contact magazine, and a short while later received a dozen dirty replies. Most of the girls enclosed pictures and a couple even included little fantasy scenarios. Kelly and I read through them all; they fuelled a whole weekend of dirty fucking for us.

The filthiest one was from this girl called Angela. She wrote a story about walking through a field and meeting Kelly coming the other way. Neither girl knew the other but they couldn't keep their eyes off each other and snogged passionately there and then out in the open.

"Without a word being said, we lick each other in the long grass until our cunts are sticky with cum," she wrote in her letter. "Once we've had enough, we give each other a little kiss, then go our separate ways." Kelly replied to Angela's letter (without mentioning me) and the pair of them arranged to act out this

"I saw Kelly's fingers glisten when she pulled them from between Angela's legs."

little fantasy.

A few days later we arrived at the spot and Kelly told me to go and hide in the bushes. She stayed in the open where I could see, and I sat quietly until Angela appeared in the distance. Short skirt, long legs, low-cut top and a sexy walk, Angela looked the epitome of a lipstick lesbian.

She caught Kelly's eye as she passed by and they turned to face each other. The pair of them hesitated for a moment, a little uncertain of quite how to proceed, so Kelly opted to speak to Angela.

"Hello," she said, and Angela said 'hello' back. I thought for a moment that she was going to bottle it, but then she asked if Angela had any panties on.

"No," Angela replied, pulling at the hem of her short skirt.

"Me neither," Kelly told her, then she took a deep breath and asked if she could have a look at her pussy. Angela nodded and pulled up her skirt to reveal a very neatly shaven little quim. She stepped forward and opened her legs so that Kelly was within touching distance of her.

"Can I stroke it?" she asked, and Angela nodded again and let Kelly run her fingers over her swollen lips. Even from where I was crouching, I could tell that she was wet, and I saw Kelly's fingers glisten when she pulled them from between Angela's legs.

Angela groaned as Kelly fingered her some more, then Kelly lifted her fingers to her mouth and sampled Angela's juices.

"Your pussy tastes lovely," Kelly said. "I'd love to try it with my tongue."

"I'd love that, too," Angela said, so the pair of them got down on the grass and Angela

“She buried her tongue as far as she could inside her pussy and sucked on her deeply.”

pulled up her skirt. I had to adjust my position to see properly, but Kelly helped me out by crouching to just one side so that I got a great view of Angela's shaven cunt.

Kelly's own skirt was pulled up over her bum and I could clearly make out her slot, swollen and wet, between her stocking tops. I was stiff as a board and wanking steadily as I watched my girlfriend with this other woman. I longed to be in there fucking them both myself, but for now I stayed out of sight.

Kelly pressed her lips to Angela's pussy and murmured something I couldn't make out. She stroked the tip of her tongue along her puffy sex and nuzzled her cunt deeper. Angela moaned as Kelly began to lap and I could almost taste her juices myself.

She buried her tongue as far as she could inside her pussy and sucked on her deeply. Even from where I was hiding, I could hear Kelly moaning and swallowing, and when she lifted her head briefly, I could see Angela's cum smeared all over her chin.

“I wanked my cock as I came on Angela and peppered her face with four or five meaty streaks...”

Kelly slipped two fingers up between Angela's legs and planted them inside her as she went back to tonguing her clit. Angela moaned as she fucked her with thrusting motions, and she grabbed the back of Kelly's head and started bucking against her face.

This really seemed to get Kelly off, and she lapped her with great swipes of the mouth, almost breathless with excitement. I couldn't stand it any longer and burst from the bushes and crouched behind Kelly. Angela looked up as I wanked my hard cock over Kelly's curvy arse though she said nothing to Kelly or me.

I had to feel myself inside her wonderful warmth, so I grabbed Kelly by the arse and buried my prick between her silky pink petals. Kelly didn't even pause to look back, all she seemed to want to do was suck this total stranger's cunt. If I wanted to have my fun with her rear end, then that was entirely up to me, she wasn't going to stop me. She didn't even check it was me. I could've been absolutely anyone; I doubt Kelly would've known.

I fucked her with long, pumping strokes and fingered her arsehole with my middle finger. Kelly loves having her arsehole played with whenever she's on all fours, so I did all I could to bring her pleasure as she did the same for Angela.

All the time I was fucking Kelly, Angela looked over her shoulder at me and licked her lips. I really wanted to fuck her next, but I didn't know if Kelly would wear it, so I decided on the next best thing.

"Keep your mouth open Angela, because you're going to get a faceful of cum," I told her, causing Kelly to buck back hard against my thrusting cock in response.

"Give it to me," Angela said and stretched her mouth wide open in readiness. That was it, I couldn't hold back any longer, and the moment I felt my balls start to clench, I pulled out of my girlfriend and knelt on the grass next to Angela.

Angela turned her head to intercept my load, and I squirted a great splash of cum all over her face. I wanked my cock as I came on

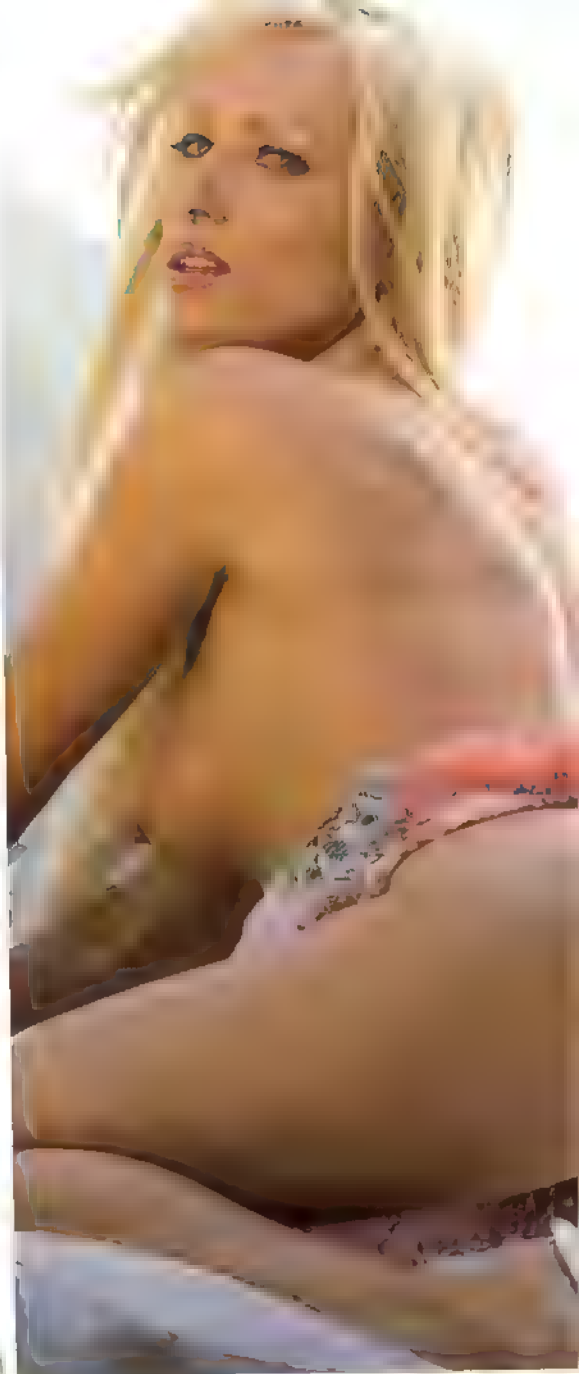

Angela and peppered her face with four or five meaty streaks before sticking my bell-end in her mouth and squeezing out the last few dribbles.

Angela closed her mouth over my prick and sucked on it like a milkshake straw before gasping with relief as she climaxed all over Kelly's darting tongue. Kelly barely allowed Angela a second to get her breath back before swinging a leg over her face and sitting down on her open mouth.

I watched for a few minutes as Angela sucked on my girlfriend's pussy while her face was still covered in sperm, then I moved between her legs and stroked my cock over her entrance. I'd only intended to wank on her cunt, but before I knew it, I was inside and fucking her with everything I had. Kelly told me to cum inside her and Angela didn't object, so when I started pumping, I kept my cock buried firmly between her legs and filled her pussy with spunk.

In the car on the way home, Kelly confessed that she'd tipped Angela off as to my presence earlier in the week, as she didn't think it was fair not to warn her.

"That's okay," I told her, then admitted I had a confession of my own. "Angela's actually my ex." Well, I did say she was into anything, didn't I?

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

BUSTY BUSTERS

Until relatively recently, I had always dated slender-looking birds with B-cup bras and very little beef on their rumps. They were cool to be seen with, and some of them were even very sweet girls to be with, but few of them did it for me properly in the trouser-snake department. It was more about arm jewellery than anything else. A couple of them were aspiring fashion models; tall, willowy girls with smaller tits than me, and I was getting bored of taking girls out for a meal, and watching them pick at their bloody salads.

I'm a second year engineering student and, as my parents are both fairly well to do, I enjoy the luxury of having a flat to myself. Since becoming to university I have become independent and I now no longer feel the need to run with the crowd.

Since I first sank my rod between two softly rounded thighs into a warm fleshy mound, I've been totally smitten by larger ladies. I'm continually on the lookout for ladies with big bouncing bostles, neat waists and generously rounded hips. I'm not into the absolute 'chubby chaser' thing, but if I'm out on the pull and a model-type girl has a curvier mate, then that's who I'll go after.

The first really enjoyable fuck that I had was with a fellow student called Catherine. She fitted every mental picture that I had ever envisaged of my ideal woman. Catherine had long, dark hair framing an attractive face, deep blue eyes, full lips, and a voluptuous body that would not look out of place in a pre-Raphaelite painting.

She first caught my eye when she arrived

late for a lecture. Her face was flushed. Her clothing was too restrictive for such exertion, and her big breasts seemed to be ready to pop out of the top of her tight, low-cut blouse. I guided her to the seat next to mine and after the lecture I chatted her up until she consented to a date.

Catherine proved as sexual as she was desirable. After a pizza and a couple of glasses of wine (I already liked her when she turned her nose up at the salad bar!), she agreed to come back to the flat. The moment we were inside the door I pulled her close to me. Placing a hand on each of her glorious buttock cheeks, I squeezed them hard, pulling her tightly against my bulging crotch. She wriggled against me, further igniting my ardour.

Lowering my face to her magnificent cleavage, I kissed the exposed skin of each soft pillow of breast flesh, before standing back and opening her blouse. Peeling it back over her shoulders, I pulled it halfway down her arms, pinning them to her sides.

I manoeuvred her onto the couch while I stripped. She was wriggling sensuously; her efforts making her big breasts wobble and heave. Her short skirt had become hitched up around her waist and she was rubbing one softly rounded thigh against the other. The nylon fabric of her hold-up stockings rubbing against one another seemed to cause her pleasurable sensations because she began moaning softly as if attempting to bring herself to climax.

I knelt between her feet and gently parted her knees. Stroking the soft, white satiny skin above the tops of her hold-ups, I lowered my face and nuzzled my way between them until I came to the juice-stained gusset of her panties.

She was hot and wet, and so ready for fucking that I almost came there and then as a powerful whiff of her pheromones assailed my senses. Here was the sexiest bird I had ever touched, literally dripping in readiness for my prick, and I was going to make bloody sure that I satisfied her so she'd come back for a whole lot more of the same. Sucking her pussy through her panties, I worked on her crotch until her buttocks were bouncing up and

down on the sofa in her effort to cum off. I unsnapped the fastening on her bra and the weight of her bosom pulled it forward, allowing her knockers to swing free.

She had an enchantingly sensual body, and I could not even contemplate taking her for the first time on the sofa or the carpet. So I escorted her through to the bedroom and, positioning her on her back with her legs wide apart, I removed her panties. Her body was now naked and displayed.

I wanted to do her in every hole, and with a sense of urgency I set to it... with a great deal less delicacy than I had intended. Climbing between her thighs, I forced my helmet inside her pussy lips. She was well ready to rock and roll, and tried to push me further in, but I made her wait until I had a fistful of tit in each

“I felt her soft wet tongue work its way up and down the length of my shaft.”

ankles once again, I forced them even further back until they were almost on a level with her face. In this position, I was able to achieve really deep penetration, and she moaned as I buried my cock deep inside her smouldering box.

She was almost crazed now, her pussy contracting and squelching maniacally. I rammed her hard, as multiple orgasms ripped through her, causing her to scream and flail around beneath me.

Cath was sobbing for breath and still squirting from her gash when I pulled my cock out of her. It had been a huge effort to contain my excitement and I was feeling tired from the athletic bombardment of her gaping slot. It was now her turn to entertain me.

While I sat propped up by pillows and sparked up a cigarette, Catherine set to work gently sucking my knob. I asked her to take it easy, as I intended to prolong our pleasure. It was an intimate moment – unlike the frenzied fucking that had gone before. Now that the urgency was over, I was determined to take the time to explore her soft curves and wet places at my leisure.

As her tongue lapped at the purple crown of my cockhead, I inhaled deeply and allowed her to pleasure me. It was probably the best smoke of my life and, as I felt her soft wet tongue work its way up and down the length of my shaft, I felt a shiver of delight shoot through my balls as they tightened and hardened.

At length, feeling revived and ready once again for action, I turned her onto her hands and knees and moving in behind her, began to caress the full cheeks of her arse.

They were soft and smooth and extremely enticing, and I ran my cock across them, leaving a shiny trail of pre-cum across their surface. Catherine was squirming with anticipation, her pussy lips opening and contracting slightly in expectation. When I asked her if she had ever had a cock inside her arse before, she wriggled and stuttered that she had: “once or twice.”

Clearly she was used to being fucked every which way and was happy to allow me to use her as I wished.

Parting her bum-cheeks wide, I began to tongue her arse cleft. She was still on the boil when I dipped my tongue inside her slit and began to lap at her labia. I licked upward towards her little-crimped anus and, on reaching it, I circled the circumference, rimming her pale pink rosette.

hand. Using my elbows for leverage, I plunged my cock further inside her oozing cunt, while her body bucked under me. Catherine wanted to be fucked and she wanted it hard, so I obliged!

Digging my fingertips into her breast meat with each downward thrust, I mauled her big fun bags until she screamed out as the first orgasm ripped through her. Her strong pussy muscles snatched at and contracted around my pole, causing thrilling sensations to pulse through it. I was hot and sweaty and ready to shoot, but my instinct told me that if I was selfish and

did not completely satisfy this beautiful girl, I might not get a second helping.

Holding back, I slowed the pace and wanted her out, allowing her agitation to subside before continuing to pump her. She began clawing my back as I increased the pace; this time I wanted her to feel the full ferocity of my cock deep inside her.

Reaching back, I took an ankle in each hand and, bending Cath's knees slightly, I pulled her legs up towards her shoulders. This raised her arse slightly off the bed and, telling her to hold her ankles in position, I placed a pillow under her buttocks. Taking hold of her

“**Prodding her ring with a fingertip as she came close to her second climax...”**

Catherine contracted her bum cheeks, tightening the entrance to her rectum as if to warn me off. But I was determined to have her bumhole, and to that end I continued lapping around her ring while reaching forward to play with her clitoris. Thumbing, tweaking and flicking it, I brought her to orgasm as I fingered her dripping slot with my other free hand.

With my fingers now coated with her essence, I began to finger her sphincter and clit simultaneously. Prodding her ring with a fingertip as she came close to her second climax, I waited for it to peak, and as she writhed around on my hand, I pushed my digit inside her tight little anus and twisted it slowly around.

As I massaged the inside of her rectal cavity, she relaxed and pushed back on my finger. After gently moving it around I removed it and taking the ever-ready tube of K-Y jelly from my bedside table, I lubed both her anus and my cock. Pressing my helmet against Catherine's anal opening, I reached underneath and plunged three fingers into her pussy and began to frig her passionately.

Soon she was rocking back and forth rhythmically on my fingers. As she began to contract her pussy muscles, I pressed my rod harder against her anus and, stretching her sphincter, felt it give way and my cock slide inside. Seeing my dick in and out of her tight hole was amazing, and I enjoyed every second of our first anal fuck.

Catherine warmed up and became enthusiastic, cocking her rump high in the air to meet my forward thrusts. Her tight ring gave me tremendous blasts of pleasure, and very soon I was on the verge of my own climax.

Withdrawing my todger, I moved around to her mouth. Without hesitation, she opened wide and greedily sucked on my member. I could hold back no longer and spurted great globs of my cream inside her mouth, watching it spill and dribble out of the corners and spot deliciously onto her softly rounded breasts.

EVA 

Eva Lovia hasn't missed a beat or a throbbing cock recently as her latest movie appearances confirm. She appears here, there and everywhere

spreading her wonderful delights for our viewing pleasure, the poor love must be exhausted. We'd certainly relish the energy to keep up with elegant Eva. ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

Bovine Heist!

What's the beef, or where's the beef should I say? I'm sure that's what the Pennsylvania authorities would like to know after 40,000 pounds of meat was stolen from a local plant. Reportedly a trucker using a fake I.D loaded \$110,000 worth of meat into his lorry (enough to make 160,000 burgers) for a Monday delivery in Wisconsin and drove off. By

Tuesday, the purchasers were wondering where their meat had got to and notified the company who then uncovered the fraud. I think we can guess the truckers next move, the Heinz factory to stock up on sauce.

Cured!

Every society has them and now if you're in the closet about your love of crotch sniffing then here's the perfect cover and it's in the form of Britain's most beloved meat. That's right folks you guessed it, bacon! These sizzling hot undies created by J&D's who have also brought you the delights of baconnaise (think we can all guess what that is) have possibly succeeded again with bacon scented underwear for anyone

who wants their genitals to smell like their local greasy café. Apparently the scent lasts for up to a year, really putting the pork in your sword!

Coors heavy!

Justice is served, but it wasn't light and refreshing for one 55-year-old Georgia man who reportedly stole a beer truck after the driver left the vehicle with the engine running outside a Circle K convenience store. The Coors Light, 18-wheeled truck, was chased down by Police where the perpetrator George Miller was apprehended, but not before a karma struck. When Miller exited the truck in an attempt to escape police, the truck ran over his leg. I don't know, even without ingesting alcohol people still end up in A&E.
